Rosemary forwarded a letter on behalf of the First Lady from Mrs. Dalrymple's second grade class at Batesville Elementary. The class requested several items, all of which we were able to provide except children's books about Mississippi.

I prepared correspondence for the Governor's signature.

This case is closed.

Dear Students:

Thank you for your recent letter requesting information about Mississippi. I have enclosed several items that I hope will be useful to your studies. It is always a pleasure to hear from students, especially those in my hometown!

Good luck in your studies and in finishing the school year!

Very truly yours,

RONNIE MUSGROVE
